SE7EN CHURCHES OF REVELATION

// Series Summary
In a culture that is increasingly hostile to the Christian faith, people often ask if the Bible is still relevant for today? Is God still speaking? Of course He is. The real question is: Are we listening? Imagine if your church received a letter from Jesus Himself. What would He say about your love for God? Endurance in trials? Faithful service? Would His words bring commendation... or condemnation? We do, in fact, have such a letter.

In Revelation, the last book of the Bible, Jesus’ words to 7 churches are as relevant today as they were in the 1st century. In this 7-part series-- SE7EN Churches of Revelation-- we’ll read Jesus’ 7 letters to 7 churches and learn how to experience God’s blessing and serve Him effectively in a culture that’s increasingly hostile to faith.

// Planning Notes

Revelation is a very visual book of the Bible full of strange & intriguing symbols. Creative staging and props will help bring it to life in the minds of modern audiences.

For example, we had a mailbox onstage where the pastor pulled out and read a “letter from Jesus” to each church every Sunday. We hung illuminated stars and had many creative elements to illustrate ancient concepts in modern-day terms including:

• A heart frozen in a block of ice (to illustrate love for Christ grown cold)
• A juice press (to illustrate suffering Christians feeling the squeeze)
• And a spitting pastor (lukewarm water spit out of Jesus’ mouth)

Family Movie Night

// Planning Notes

• Building a Bridge

This series is designed to build a bridge between our culture and God’s Word using the power of story. Each week, we show a movie trailer and short video clips that illustrate the deeper scriptural truths embedded in the story. Don’t let the “shiny wrapper” fool you—this is a powerful series that disarms listeners and tackles difficult Scriptural subjects. For example: *Hacksaw Ridge* - forgiving & loving your enemies; *Wonder Women* - the role of women in ministry & leadership; *The Shack* - why does God allow unspeakable evil?

• Evangelism

3 weeks prior to this series, challenge & equip people to invite their unsaved friends & neighbors to this special series. It’s an “easy ask”—Who doesn’t love summer movies? And free popcorn in church? Be sure to print special invite cards in advance for people to hand-out and invite their friends to this series!

• Calendar

This series is ideal for the summer months—July or August work best & the topics are unrelated (vacation). Rent a giant screen and culminate the series with an outdoor “Family Movie Night” and invite your whole community!

IN GOD WE TRUST

// Series Summary

Every dollar in our pocket is printed with a simple slogan *In God We Trust*. Yet when we look around, our trust often seems placed in everything but God—money, wealth, possessions, health, and security! Too often, we live each day trusting only what we have... and fearing what we need. But what if we shifted our trust from the almighty dollar to Almighty God?

In this faith-building stewardship series, come discover the peace, joy, and freedom God created you for! Join us for *In God We Trust*.

// Growth Goals

Stewardship; Tithing; Financial Freedom; Money Management; Generosity

// Sermons & Scriptures

- **God’s M&Ms**  Malachi 3:8-10
- **The Debt Trap**  1 Timothy 6:6-10

// Special Features

This 3-week stewardship series kicks-off with a special *90-Day Tithe Challenge* designed to teach people the foundational principle of biblical stewardship. The Bible tells us to never test God—except in one area... with our tithe! When we honor God first with our finances, He promises to bless the rest (Malachi 3:6-12).
For 3 months, challenge people to “take God at His Word” and tithe 10% of their income back to their local church. Promise: If you tithe for 3 months and feel God hasn’t proved faithful to His promises, we will refund 100% of your tithe, no questions asked. It’s a money-back guarantee back by God!

This powerful promise from Malachi will help re-engage lapsed tithers, onboard new givers, inspire occasional donors to give regularly, and increase the level of generosity in your ministry. In our church, we have seen a 10% increase in weekly giving following a successful 90-Day Tithe Challenge.

// Planning Notes

• Calendar
This stewardship series fits best at the start of a season where 3 months naturally run together: At the start of the year (Jan-Feb-March); the summer months (June-July-August); start of the Fall (Sept-Oct-Nov).

• 90-Day Tithe Challenge Landing Page
Consider creating a landing page on your church website with the 90-Day Tithe Challenge along with a testimonial video. View an example here: https://liquidchurch.com/give/90-day-tithe-challenge/

• Response Card
Prepare a printed Response Card for people to fill-out in response to the 90-Day Tithe Challenge. It is not a commitment card— it is simply requesting more information. Within 24 hours, follow-up with an email that has all the details including how to give systematically (ie: weekly, online, electronic bill pay).
For every person who takes the 90-Day Tithe Challenge, send them a personal note of thanks along with a free copy of “The Treasure Principle” by Randy Alcorn encouraging them to honor God first in their finances.
• Financial Peace University
Most people want to be more generous... but with debt & bills they don’t know where to begin! As part of this series, plan to offer Dave Ramsey’s Financial Peace University— a 9-week class that teaches biblical principles of money management including debt reduction, budgeting, and generosity.

// Series Summary

Teamwork makes God’s dream work! The Dream Team is a group of extraordinary people who are using their gifts & passions to change the world! From feeding the hungry, to mentoring the next generation of kids & students, to using media-video-photography skills to bring the Gospel to visual life-- we are a group of all-in Christ followers who forcefully advance the Kingdom of God! Dream Team is a series on serving in the local church meant to inspire those sitting on the sidelines to get onto the playing field!

// Growth Goals
Serving; Volunteers; Leadership; Discipleship

// Sermons & Scriptures
- Get Involved! James 2
// Special Features

Volunteer Team Banners

Dream Team T-shirts

// Planning Notes

- **Activating Volunteers**
  
  This special sermon requires advance planning & coordination with all volunteer teams-- from Parking to Worship to Media to Prayer to Kids & Students. From the beginning, you must have leaders on hand in the service to capture names & emails and follow-up with those who step up to serve after this “call to action” sermon. Follow-up must be within 24 hours-- the goal is to get them trained, onto the field, & serving in 2 weeks!

- **Dream Team Expo**
  
  A best practice is to plan an after-service Dream Team Expo where people are encouraged to visit tables staffed by volunteer leaders of different ministries and sign-up to serve.

  Cut your sermon short and tell your people to visit volunteer tables at the Expo. Encourage your leaders to creatively decorate their table-- our Spanish Translation ministry offers chips-and-salsa; Student Ministry gives out a Superbowl basket with treats for those who visit & sign-up to mentor a student.

- **Calendar**
  
  Recruiting new ministry volunteers is most effective in the New Year (Jan/Feb) and early summer (for upcoming Fall). Be sure to spotlight existing volunteers & share testimonies of life change through serving!

Ready to Dive Deeper?

Check out Tim’s brand-new book from Zondervan-- the most trusted name in Christian publishing.

In today’s fluid culture, many churches are adrift-- longing to reach spiritually thirsty people, but failing to make an impact. Have you noticed?

*Congregations are stuck or declining.*

*Millennials and Gen Z are walking away.*

*Volunteers and their generosity are drying up.*

Is your city, town, or neighborhood spiritually dry? Do you long to see more of the living water of Jesus flowing freely through your community, generating a fresh wave of ministry momentum?

**Buckle up: you’re in for a whitewater ride!**

Liquid Church tells the fascinating story of a New Jersey church that began “on accident” and grew into one of America’s 100 Fastest-Growing Churches, with over 5,000 in weekly attendance and more than 2,300 baptisms to date. Their secret? They harnessed the power of six powerful ministry currents sweeping across North America including: special needs, creative communication, ministry mergers, compassionate cause, radical generosity, and leadership culture.

With powerful stories and scriptural insights, backed by national research, Tim Lucas and Warren Bird describe dozens of fresh ideas, new ministry wineskins, and hard-won leadership learnings that resonate with rising generations in today’s “show-then-tell” culture. Each chapter includes practical tools, real-life examples, and links to “Other Churches Making Waves” with cutting-edge ministry ideas designed to help saturate your city for Christ.

Whether you serve a brand-new church plant, fast-growing congregation, or an aging ministry ready for reinvention, Liquid Church is an inspiring and practical guide for leaders ready to reach their spiritually thirsty neighbors-- those who have given up on church, but haven’t given up on God.

What Others Are Saying

“This book will grip you, just like Tim’s teaching and leadership have gripped so many thousands of people in the Northeast and beyond. In my view, the chapter on preaching (Chapter 5) is worth the price of the book alone. If you want to reach the next generation of young adults, you’ve picked up the right book.”
